

Assignment 12 - Final Project Check-In: Urgent Feedback Needs

This assignment is **OPTIONAL**. If you have urgent feedback needs, go for it! Otherwise, no need. This assignment is tied to your final project and should be completed with your final project team.

Submission details: Please submit either a txt or pdf file.

This assignment is all about your team's own unique needs, so this is entirely freeform. It should probably cover:

- The question or questions on which you're seeking input.
- Background information needed to understand the question or questions.

But go ahead and write up whatever you think is most relevant!
